Student Comments for MCCARTHY, SISSEL WIVESTAD for Fall 2017

MEDIA 21100 Sec: HC1	Overall this class was a pleasure. I think that the challenging part was adapting to a shorter and more concise writing style because previously we have been taught to elaborate on our ideas. Additionally, the quizzes could be challenging because it was difficult to get a 100 because rarely can you ever catch al of the news that is on a given day or couple days. However, the field trips and guest speakers were my favorite part of this course and make it worth taking. Overall I very much liked this class.
	A really great media class! I didn't know what to expect when I first started this class in September, but I learned so much and got to go on tours of media studios and meet very successful people in media! The professor is extremely passionate about her job and she loves teaching. She is always smiling, encouraging people to participate and speak up, attentive, informative and overall one of the best teachers i've ever had. No exaggeration. I hope to take another one of her media classes in the future.
	The trips we went on were amazing. One of my only problems with the class was that sometimes I wasn't sure what was expected of me on assignments or that too much was expected given the word limits, but overall I think you were very fair.
	I think Sissel McCarthy is a great lecturer but in terms of grading I don't think there was much insight into clear guidelines (like a rubric) for writing assignments. I feel as though they were graded somewhat subjectively due to the lack of a writing rubric for each specific essay. However the class was very interesting and was very organized otherwise.
	Professor McCarthy is extremely professional and well versed in her knowledge and experience in this field. She is consistently dedicated to her students and their success and has a truly wonderful course.
	Great professor!
	One of the best classes I've taken at Hunter during my three years here!
MEDPL 28300 Sec: 01	Hands down one of the best professors I have ever taken at hunter. I learned so much this semester and with your help and guidance I think I am ready to take on the world. Thank you so much for all you have done for me this semester.
	At first it was difficult it keep up with everything. Thankfully, Prof.McCarthy is an amazing, knowledgeable professor who truly cares about her students and keeps her door open for anyone who needs help and advice.
